SANTA SUSANNA

GUIDE FOR THE TOURIST RESPONSIBLE

Travel with respect, enjoy with
awareness

SUSTAINABILITY IN TRANSPORTATION

- Public transportation: Use trains and buses to get around the area comfortably without a car.
- By bike: Enjoy safe routes along the seaside and through natural spaces.
- On foot: Explore the seafront and the rural surroundings in a healthy and eco-friendly way.

TAKE CARE OF THE HERITAGE

- Do not touch or damage local monuments or historical elements.
- Respect signs and boundaries in natural and cultural areas.
- Follow marked paths in parks, trails, and protected areas.

SUPPORT THE LOCAL ECONOMY

- Buy local products at markets and shops in the town.
- Dine at local restaurants and discover the typical cuisine of the Maresme region.
- Appreciate local craftsmanship: choose products made by local hands.

WASTE MANAGEMENT IN SANTA SUSANNA

- Recycle: Use the recycling bins located throughout the municipality.
- Reduce plastics: Always carry your reusable water bottle and cloth bags.
- Don't leave trash: Help keep the beaches, trails, and streets clean.

MAKE RESPONSIBLE USE OF RESOURCES

- Turn off lights and devices: Unplug electronic devices when leaving the room.
- Air conditioning and heating: Use them sparingly to reduce energy consumption.
- Shower consciously: Limit your time in the shower
- Buffet breakfast: Serve yourself only what you are going to eat to avoid food waste.
- Natural Resources: collaborate in the conservation of beaches and natural parks

BE EMPATHETIC: YOU ARE VISITING ANOTHER COUNTRY

- As a guest at our hotel and a visitor to Catalonia, you are experiencing a different culture.
- Being a responsible tourist also means being empathetic and open-minded: accepting differences, showing curiosity about the local culture, and respecting what we don't know.
- A kind gesture, a smile, or a word in the local language can open many doors and make your experience even more authentic.
